

## Dr. Kiran Patel BDS, MDS

**Specialization** – Oral & Maxillofacial Surgeon, Implantologist

Dr. Kiran Patel is an expert dentist with specialization in Oral & Maxillofacial Surgery. With numerous achievements down the list, Dr. Kiran Patel is one of the leading surgeons owing to his vast experience in the field of dentistry. He is the founder of Shreyas Multispecialty Dental Hospital and has been serving thousands of patients through his private dentistry practice there. Apart from this, Dr. Kiran Patel is a fellow of the renowned International Implant Foundation, Munich, Germany.

### Expert Implantologist

Dr. Kiran Patel has attained expertise in immediate load implantation (strategic implantology) and has been practicing it since 2012. Among the very few dentists practicing Strategic Implantology in India, Dr. Kiran Patel is one of them, having hands on this advanced dentistry treatment since 2011. Being a fellow of International Implant Foundation, Munich, Germany, Dr. Kiran Patel is from those very few pro dentists who can practice strategic implantology with full, established protocols laid by the father of modern basal implantology Dr. Stephen Ihde.

Dr. Kiran Patel has a proven record of successfully performing strategic implantology in cases like severely atrophied bones or no bones, diabetes patients, smokers, and medically compromised patients. Having placed more than 5000 implants, he has hundreds of patients that speak for his success.

### Implantology Trainer at International Institutes

Dr. Kiran Patel is a certified trainer in the American Academy of Facial Aesthetic. Also, he contributes in teaching the art of strategic implantology at International Implant Foundation, Germany.

### Contribution into Academics

Not only Dr. Kiran Patel practices dentistry, but he also believes in sharing the knowledge and enlightening the future generation of doctors. Owing to his interest in academics, he plays the role of an Assistant Professor at College of Dental Sciences, Ahmedabad.
